

2023 Cardinal Shooting Center Advertising Opportunities

Cardinal Center has numerous opportunities to advertise on-site and in our Buckeye Open and Cardinal Classic Trapshoot programs. Advertising in our programs offers you additional exposure before our guests even arrive at our facility since these programs are available in a digital format with printed programs available onsite during our events.

On-site opportunities include purchasing an ad panel (approx. 3' x 7') on one of the shade shelters along the trapline or an ad panel (approx. 2' x 4') on one of the stations on the Sporting Clays courses. This offers your business extra exposure not only to our shooters during our tournaments, but to additional guests at our facility all year long!
