I acknowledge that the use of safety glasses and ear plugs are mandatory during these shoots and rain ponchos will be mandatory in inclement weather. These items will be provided to me, if I do not have my own, but I understand that workers who repeatedly lose their safety supplies, and have to ask for new supplies every day, will be charged for these items at shoot end. I further acknowledge that I am working at my own risk.

I understand that I will be paid in cash on the last day of each shoot, and that no taxes will be withheld, as I will be working as an independent worker rather than an employee. I also understand that Cardinal Center will be reporting to the IRS any earnings totaling over \$600 for the year, that I will receive a 1099 at the end of the year, and that I will be responsible for filing and payment of all taxes. Additionally, I acknowledge that if my address changes before the end of the year, it will be my responsibility to contact Cardinal Center with my change of address.
